Recommendations _____

I have examined the above-named student and completed the preparticipation physical examination. The athlete does not present apparent clinical contraindications to practice and participate in the sport(s) as outlined above. A copy of the physical exam is on record in my office and can be made available to the school at the request of the parents. If conditions arise after the athlete has been cleared for participation, the physician may rescind the clearance until the problem is resolved and the potential consequences are completely explained to the athlete (and parents/guardians).

Preparticipation Physical Evaluation: Acknowledgement of Risk and Insurance Statement

I authorize the participation of _____ in all of the following sports that are NOT crossed out: baseball, basketball, cheerleading, crew, football, golf, soccer, softball, volleyball, weight lifting, track and _____ (other). I am generally familiar with the eligibility rules for each such sport and to the best of my knowledge my child has no health problems that adversely affect the ability of my child to participate in any such sports. In the event my child develops any such health problems, I will immediately notify the school's Athletic Director.

I understand that the coaches of each sport may establish rules and regulations relative to attendance at practices, training, study schedules, and other matters for the purpose of promoting the well being of the team, as well as the punishment for the non-compliance with such rules and regulations. I agree that I will be supportive of such rules and regulations and their enforcement.

I am familiar with the requirements for participation in each sport for which I have authorized my child's participation and I recognize and understand that any physical activity can present an increased risk of injury and possibly death and that participation in sports exposes participants to such risks.

I understand through my own personal experiences and observations, literature I have read, or otherwise, that my child's exposure to such risks and the degree of danger and seriousness of such risks varies significantly from one sport to another and that sports involving personal contact of the participants carries higher risks.

I understand that my child's participation in sports may involve travel with the teams and I grant permission for my child to travel to and from such sporting events with transportation provided by the school.

I understand that in the event that such transportation is not in a school-owned vehicle, that it will be necessary in each event for me to specifically authorize my child's traveling in a privately owned vehicle and in such event the school will have no liability for any claim that may arise out of an event incident to such transportation.

Acknowledging the risks involved with sports participation and team travel, and in the absence of negligence of Broadwater Academy, it's employees and agents contributing to any such injury and/or possible death, I agree to indemnify and save harmless Broadwater Academy, its employees and agents from and against any and all liability for any such events as well as any and all costs and fees incurred by Broadwater Academy in the defense of any such claims.
